

Call for Student Applications – \$300 Library Research Awards

Are you currently working on a:

- Poster for the Research Forum or Engineering Expo?
- Research paper for your Capstone course?
- Presentation or performance drawing on resources you found in the UIC Library?
- Any other kind of research project?

Consider applying for one of these awards to recognize outstanding research completed using University Library resources:

- **Special Collections and University Archives Student Research Award** recognizes students who incorporate original resources from Special Collections and University Archives
- **Best Use of UIC Library Research Tools and Materials Award** recognizes students who use tools and materials from any area in the Library
